

Online PVG Applications | Guidance Notes

To complete an online PVG application you must have a valid email address.

Once you have submitted your PVG Application Request Form to SWF you will receive an email from Volunteer Scotland with a link to complete an online form for Disclosure Scotland. You must complete the application via the link **within 7 days of receipt.**

The online application will be quicker and more efficient than previous applications and we can expect volunteers to receive their certificates within 4 -6 weeks of completing the online form.

We have developed some guidance to help clubs and officials to complete this process. All other aspects of the Safe Selection process should be carried out by the club as previously advised.
